

Locksmith

Format: Radio Ad

Length: 30 seconds

SFX: [Door creaking open. Lock click. Wind blows.]

VO (dry, sarcastic):

Don't call us. Seriously. We're *not* the cheapest locksmith in town.

We show up on time. We don't break your door. And we won't upsell you some weird fingerprint scanner made twenty years ago.

If that sounds boring to you—great. Keep Googling.

But if you want your keys back and your day saved...

VO (sharper): Fine. Call Not Your Locksmith.

VO (tag): Serving Grey-Bruce 24/7. NotYourLocksmith.ca. We fix it right the first time.
